GENERAL INFORMATION REGARDING APPLICATIONS FOR FUNDS

Under the Trust Deed dated 20 July 1993 the Trustees' have the discretion to consider the allocation of funds for projects which are **energy-related** and which will benefit the consumer's of the former CentralPower energy company.

After grants have been accepted, grants are paid out on receipt of copies of paid invoices.

GRANTS CRITERIA

The Trustees in exercising their absolute discretion under the Trust Deed will consider energy related grants with the following criteria:

- The project is in the former CentralPower catchment Manawatu/Tararua area (*See map*)
- The project will be of benefit to the community
- The project will create ongoing benefit to the greatest number of consumer beneficiaries
- The project will assist business growth and economic development within the community
- The project will promote energy conservation
- Providing education scholarships
- Maintaining equity between the communities within the region

**Applications to fund computers and photocopiers will not be considered.
(This restriction may be reviewed if the computer is an integral part of a larger project seeking a grant).**

ALLOCATION OF INCOME

- Trustees will consider applications for grants every six months, with closing dates **7 May and 7 November** each financial year.
- Trustees will approve grants within the Grants Criteria as considered appropriate under their discretionary power, and subject to available resources.

About the Central Energy Trust

The Central Energy Trust was created on the establishment of CentralPower Limited in 1993. Originally its only substantial asset was a shareholding in CentralPower Limited. In 2001 the Trust realised its interest in the company when Powerco merged with CentralPower Limited, and became the controlling entity,

The capital fund arising from the sell down has been invested in fixed interest securities and equities, and the resultant income is available for distribution.

Under the Trust Deed the income beneficiaries are the consumers of the company (CentralPower Limited) and Electropower which was the Palmerston North City Council Energy Retailer. The Trust terminates in 2073 and the capital beneficiaries are the three local councils, Palmerston North City Council, Manawatu District Council and Tararua District Council.

The Trust has five Trustees who are appointed by an independent appointment panel after public advertisements have requested expressions of interest from the public. These Trustees are responsible for managing the \$50 million investment portfolio and distributing the income to consumer beneficiaries.

In approving grants the Trustees prefer that the recipients have income tax exempt status. Distributions from the Trust are allocations of Trust income and as such are not subject to GST.
